REALIZE YOUR DREAMS

WELCOME TO Cobra Yachts

Cobra Yachts specializes in crafting bespoke yachts that turn your dreams into reality. As a family-owned company with more than 20 years of experience, Cobra prizes itself on delivering personalized service, refined craftsmanship, and complete customization. Each yacht is meticulously handcrafted at our shipyard in Radomsko, Poland, blending Italian design with superior Polish build quality.

Our commitment to excellence and safety ensures that every detail is perfected, providing a seamless balance of performance and comfort.

Recognized in Forbes Diamonds 2024 for dynamic growth, Cobra Yachts is dedicated to fulfilling your vision while maintaining the highest standards of quality and innovation.

REALIZE YOUR DREAMS

CAMPIONE

DESIGNED BY

Ferragni progetti

CHAMPION DESIGN & PERFORMANCE

The Campione 41 Fly by Cobra Yachts blends Polish craftsmanship with Italian design, creating a unique 41-foot motor yacht that redefines luxury and practicality.

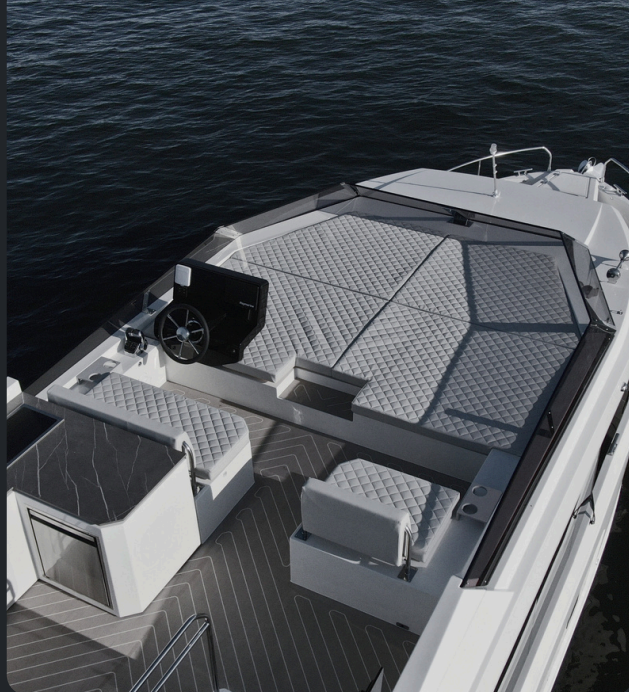

With sleek, dynamic lines and elegant finishes from Ferragni Progetti, this yacht features spacious interiors, including a versatile galley and an innovative lower deck layout.

The expansive bathing platform and indoor/outdoor bar extends the salon space, while the flybridge offers a perfect spot for sunny days and socializing.

The Campione 41 is ideal for both private owners and charter fleets, offering style, comfort, and functionality in one stunning package.

MAESTRO 42

FREEDOM TO STRETCH OUT

The Maestro 42 redefines what's possible in a 42-foot yacht. With a wide, open floorplan, full walk-around decks, and fold-down sides that transform into a spacious waterfront lounge, it offers generous, flexible space where it matters most. Whether you're anchored in a quiet cove or entertaining friends dockside, the Maestro adapts to the moment.

Modern onboard systems and intuitive technology make every journey effortless, while high-quality finishes and smart design details ensure lasting comfort and style. From its smooth handling to its surprising volume, the Maestro 42 is built for owners who want more freedom, more function, and more enjoyment from every outing.

FUTURA

36

CRUISE YOUR WAY

The Futura 36 offers impressive value in a compact footprint, with over 480 sq ft (45m²) of usable space—more than you'd expect from a 36-footer.

Built in Poland with a focus on quality and precision, it features solid teak finishes, tinted glass windows, and complete freedom in customization.

With flexible layouts of 2–4 cabins, up to 2 bathrooms, and multiple deck configurations, the Futura 36 adapts seamlessly to your cruising style.

WARRANTY

COVERAGE WHEN YOU NEED IT

Cobra Yachts stands behind every vessel with comprehensive warranty protection. All appliances and equipment are covered under their respective manufacturer warranties – we exclusively source American-specification products from established brands with extensive service networks nationwide, ensuring you can find qualified technicians wherever you cruise.

For Cobra-manufactured components, we provide a robust 3-year warranty on parts and accessories. Your investment is further protected with our 5-year hull warranty and 7-year deck structure coverage, giving you confidence in your yacht's long-term durability and our commitment to quality craftsmanship.

Our warranty program is designed to keep you on the water with minimal downtime and maximum peace of mind.

LOGISTICS

SEAMLESS GLOBAL DELIVERY

Including transportation costs in pricing often means paying more than the actual shipping expense —Cobra Yachts USA operates differently. You only pay for what you need, and we leverage our experience to negotiate the best possible rates on your behalf.

We handle every aspect of international logistics so you don't have to. From trans-Atlantic transportation and importation documentation to customs declarations, tax and duty calculations, and final local delivery, our experienced team manages the entire process. We coordinate with trusted shipping partners, handle all regulatory requirements, and ensure your yacht arrives safely and legally at your desired destination.

Our comprehensive logistics service eliminates the complexity and uncertainty of international yacht delivery, allowing you to focus on what matters most—enjoying your new Cobra yacht.

YANMAR

POWER & PERFORMANCE

The Yanmar 6LY440 is a 4th-generation, 6-cylinder in-line diesel engine from the 6LY-CR series, known for its clean, efficient performance.

It features an advanced Denso common rail fuel injection system for optimized fuel consumption on long journeys.

The engine meets US EPA Tier 3 and EU RCD 2 emissions standards. With a high power-to-weight ratio and strong torque across the full RPM range, the 6LY440 delivers responsive performance for both recreational and light commercial marine use.
